

Seattle Fashion Forward Gala

There is a hip fashion event coming up in a few weeks that I wanted to share with you all:

This December, treat yourself to the Best of the Best. Industry Leaders Custom Media Solutions and Fashion Week Placement team bring you the Mother of all Fashion Events and Industry Parties as a Benefit for the Seattle Humane Society: The Seattle Forward Fashion Gala. Located at the spectacular Maritime Museum on Pier 66 and re-transformed with a massive stage and runway lighting and concert-quality sound you will feel the Glitz and Glamour of a Los Angeles Red Carpet Event. Amenities inside include Three Full Service Bars and incredible FREE 5 Star Chef Prepared Hors d'ouvres.

Seattle Fashion Forward Gala showcases two of the city's top designers: Dolores Gill with her B&G, Dirty Dog Jeans, and Waktu labels and Kelly Flynn with her sign label. Each designer will showcase their latest collections, and reveal one of a kind and never before seen pieces that have been custom made for the 50 Top 1 Models hand selected for the show.

Come and get a taste of the fashion world. Meet the industry life and mingle with Clothing garment buyers Marketing/Ad Execs, Models, Media Representatives, signers, Modeling Agents, and the Movers and Shakers of the Market while helping the Seattle Humane Society!
